Re: 30 Day Post-General Report (10/14/10 – 11/22/10), Chris Coons for Delaware, FEC ID No. C00475392

Dear Ms. Davis,

This is the response of Chris Coons for Delaware (the "Committee") to the Commission's request for additional information dated February 17, 2011 regarding the Committee's 30 Day Post-General Report.

The letter inquires about whether several contributions should have been listed on 48-hour notices.

The receipt you identify from Democracy Engine, LLC, received on 10/14/2010, was a transfer of conduit contributions. All of the individual conduit contributions were in amounts of less than \$1,000 and thus were not subject to the 48-hour notice requirement.

The letter also identifies a contribution from Max W. Berger received on 10/20/2010 in the amount of \$1,200. This contribution was included on the Committee's 10/21/2010 48-Hour Notice. A partnership contribution was made from Bernstein, Litowitz, Berger & Grossman LLP in the amount of \$2,400, of which \$1,200 was allocated to Mr. Berger. Accordingly, both the partnership and Mr. Berger were included on the Committee's 48-Hour Notice. The remaining \$1,200 of the partnership contribution was allocated to other partners in amounts that did not trigger the 48-hour notice requirement.

Other contributions you identify were received by the Committee as part of a transfer from a joint fundraising committee in which the Committee participates, Delaware Senate 2010. The transfer from Delaware Senate 2010 was made to the Committee on 10/21/2010. However, many of the contributions were received by Delaware Senate 2010 on 10/12/2010, and thus were not subject to the 48-hour notice requirement. The Committee inadvertently reported all of the attributable individual contributions as received on 10/21/2010 but is amending its report to reflect the correct date of receipt. The following is a list of contributions that you have identified that were not subject to the 48-hour notice requirement based on the date of receipt:
